

Early Life

Dr. Paley was born and raised in Houston, TX. He credits his work ethic to both of his parents. Growing up he traveled all over South Texas to the Panhandle with his family. His father

was a successful traveling salesman in the cotton gin industry and his mother was the founder the UOS Goldberg Montessori School in Houston, TX. At a very young age Dr. Paley knew medicine was his calling, eventually settling him in San Antonio in private practice.

Education

Dr. Paley is a proud Texas Aggie class of 1984 with a degree in Biomedical Science. In 1986 he received his M.S. in Biological Science from East Tennessee State University. He obtained his M.D. from The University of Texas Health Science Center in San Antonio in 1993. Dr. Paley completed his residency at John Peter Smith Hospital, Ft. Worth, TX in Family Practice in 1996.

Career

After residency, Dr. Paley decided to open his own private practice in San Antonio, TX. He has served San Antonio's medical community for over 20 years. Providing quality of care, little to no wait times, accessibility, committing to excellence, and setting and achieving health goals with our patients are some of the core values Dr. Paley has integrated in his practice. The combination of physicians and employees working together to improve patient care is his commitment. Dr. Paley honors those who have served our country making sure they receive the highest level of care provided by our staff and health providers. Our belief is practicing medicine through integrity, compassion, and the highest standard of medical excellence through the latest innovative technology.
