## **Loki – Chief Greeter & Hug Expert at PaleyMD**

Loki joined the PaleyMD family after being adopted at one year old, and he's been stealing hearts ever since. Born with a shortened leg, Loki doesn't let anything slow him down—especially not when it's time for walks! Out and about, you'll see him proudly strutting in his custom prosthetic, turning heads and inspiring smiles wherever he goes.

At PaleyMD, Loki's official role is "Greeter Extraordinaire," but he's best known for giving the absolute best hugs. Whether you're a patient, visitor, or staff member, Loki's gentle spirit and warm cuddles are sure to brighten your day. His presence is a daily reminder of strength, resilience, and unconditional love.

## **Moishe – Junior Greeter & Chief Mischief Maker at PaleyMD**

Meet Moishe, the youngest (and most mischievous!) member of the PaleyMD pup crew. As Loki's little brother, he's full of energy, curiosity, and fun. Always on the move, Moishe brings a playful spirit to the clinic and keeps everyone smiling with his lovable antics.

Despite his cheeky nature, Moishe has a gentle heart and a special love for children—and treats, of course! He often joins patients in
